

MULULU HOUSE

MULULU HOUSE Kitwe, Zambia

Introduction

This is an exceptional residential property situated in the top location of Kitwe's prime Riverside area.

The property is located in a private, quiet & highly secure crescent some 150m distant from the main road and immediately adjacent to a Government high-security area.

The availability of this property presents a rare opportunity to secure a fine quality, pre-independence period home, beautifully maintained, on a large corner plot and in a top location, with ample space for further development of an additional house, apartment/s and/or offices.

History & Design

The property was built in 1960 in the design style of the 1960s California 'outdoor living' tradition. The main living area features an open-plan, sliding glass screen-wall design, giving free access and wide views to the paved verandah & pool terrace, living & entertaining area, garden terrace area and the gardens beyond. In addition, the family/TV room, two-way bar, master bedroom, bedroom-wing and entrance-utility area each have their own access to this outdoor area. These features combine to provide a very light & airy house with open access from all parts of the home to a very private indoor/outdoor living and entertaining area - and maximum opportunity to enjoy Zambia's exceptional climate to the full.

Land

The plot is a large corner stand of over 0.33Ha (>3,300 sq m) bounded on all sides by a 2.4m wall with electric fence security, all encompassing old-established and well-maintained gardens. The gardens are spacious and include lawns, many indigenous trees & plants and a wild bird garden with over 40 bird species recorded. The plot's top location provides an exceptional level of security, privacy and peace & quiet.

House Construction

The house construction is of exceptionally high-quality specification including:

- Imported engineering face-brick walling throughout (bedroom wing render finish)
- Imported Marley-tile roof
- Lounge, dining & family rooms - Italian ceramic tiled floors
- Bedrooms (3) & Dressing Room - Rhodesian Teak parquet flooring (recently refinished)

Accommodation

The main house comprises:

- Main entrance porch
- Reception lobby/study
- Main lounge (open plan), with fireplace & chimney, opening via large screen-wall sliding window onto outdoor pool terrace/entertaining area
- Dining room (open plan)
- Utility/west entrance, opening onto car port and pool terrace/entertaining area
- Kitchen & Pantry, with staff entrance
- Fully fitted kitchen of solid wood units & worktops, Whirlpool oven & ceramic hob, free-standing oven & baking units of solid wood with stone worktops
- Family/TV room, opening onto pool terrace/entertaining area
- Two-way bar (inside-outside), opening onto both lounge and pool terrace area
- Master bedroom, ensuite with dressing room & bath/shower-room, with private access opening onto pool terrace/entertaining area
- Two further bedrooms with shared en-suite bath/shower room & WC room
- Bedroom wing corridor, with access opening onto pool terrace / entertaining area
- Large loft/storage space
- Double car port

Other Buildings & Installations

Other buildings & installations include:

- DSTV roof-mounted dish installation, wired to Family/TV Room
- High-capacity borehole, pump & controls and water supply installation complete with two high-level storage tanks and house & garden reticulation
- Mains & solar power back-up installation including solar panels, control units, voltage regulator, mains inverter, solar inverter, high quality solar batteries in safety cabinets, independent & isolated solar connection installation to key points in living area
- Swimming pool, paddle pool & fountain (completely refurbished 2015)
- Pool room and pool pump & filtration installation (replaced new 2015)
- Servants quarters & servants yard
- Staff shower & WC
- Workshop/store room
- Garden store
- Wall fence 2.4m all round with electric fence security
- Automatic electric sliding roller gate access
- Large kitchen yard and vegetable garden
